ABOUT ALAMO ROOFING LLC

Alamo Roofing LLC has been in business since 2007 and has been using the latest technology and materials to ensure the highest quality of workmanship in the Willamette Valley. We are a locally owned company that cares about you and your roofing needs.

We are proud to have a wonderful staff of expert contractors who are also committed to treating you like family. Safety, efficiency, and affordability are our top priorities on each and every job with close attention to detail and cleanup.

WE HANDLE ALL YOUR ROOF MAINTENANCE AND ROOF REPLACEMENTS WHEN IT'S TIME.

When you hire our company, you will benefit from a roofing contractor that can expertly handle a wide range of residential and commercial roofing tasks. Our company is backed by 14 years of field experience, allowing us to provide a wide range of roofing solutions at competitive prices.

Our many roofing services include the installation of flat or metal roofs from a variety of different brands, extensive residential roofing repair and maintenance work, and emergency roof repairs for a commercial business or apartment complex.

ROOFING SERVICES

RESIDENTIAL ROOFS

When it comes to roofing services for residential properties, choose a trusted name in the industry, Alamo Roofing LLC of Philomath, OR. We provide all kinds of residential roofing services.

NEW CONSTRUCTION

We are weather bond certified and a member of the BBB. Trust us to use the highest quality materials or customize your project to fit your roofing needs for a fair price. Se Habla Espanol!

METAL ROOFING

At [Alamo Roofing LLC](#), we specialize in expert metal roof installations. Our skilled team has the expertise and knowledge to handle projects of any size or complexity. Whether you need a metal roof for your new construction or are looking to upgrade your existing roof, we've got you covered!

ROOFING SERVICES

COMMERCIAL ROOFS

Alamo Roofing LLC specializes in providing commercial roofing for apartment complexes, office buildings, and restaurants. Our company has the experience to handle all of your commercial roofing needs.

ROOF REPAIR

Roof leaks can be a serious problem. Trust the experts at Alamo Roofing LLC to inspect your roof so that a minor leak doesn't get worse. Our team will perform a thorough inspection to ensure your roof is safe and functional.

WATERPROOF ROOF

When it comes to protecting your property from the unpredictable weather, a durable and waterproof roof is essential. Alamo Roofing LLC takes pride in being the leading experts in waterproof roof installation and repair services.
